*Executive Head Teacher: Mrs Lizzie Girling*  
*Acting Head of School: Mrs Lucy Thompson*

Dear Parents/Carers,

During the Spring Term we are hoping to make some improvements to our Nursery garden. As you will be aware, schools currently have very limited budgets. Therefore, we are hoping to gather resources in the most cost effective way possible and we are hoping that you can help us!

We would like to make a new 'mud kitchen' for our children to use. These can be created using wooden pallets. If you are able to donate any pallets to us then please let us know. If you are able to construct a mud kitchen and would be happy to do so then please let us know.

We would also like to create a construction area for our children to work in. We have already been lucky enough to receive a donation of some orange building fence, thank you very much! If you are able to donate any tyres that are no longer needed or a child's work bench/ tools then we would use these to enhance our current provision and make the area look authentic and exciting.

Finally, our 'mini beast hotel' has somewhat collapsed and we would like to rebuild it. If you have any wooden logs or stumps that you would like to donate then we can use these to enhance this area.

Thank you for your continued support of our Nursery. If you are able to help in any way then please speak to us. Watch this space for changes to the Nursery garden throughout the term!

Mrs Veal and Mrs Murton

*This school is committed to safeguarding and promoting the welfare of children*
