Enjoy  Achieve  Thrive

May 2018

Dear Parents and Carers,

The Year 1 statutory phonics screening check will be taking place in school during the week beginning 11th to 15th June 2018. If a child is absent during that week, we can administer the check up until Friday 22nd June 2018.

The Year 1 phonics screening check is a short, statutory assessment to ensure that children are making sufficient progress in the phonics skills to read words and are on track to become fluent readers who can enjoy reading for pleasure and learning.

If you have any questions, please ask Mrs Clarke.

Many thanks for your support,

Mrs Lucy Thompson
