8th May 2018

Dear Parents and Carers,

We are now starting the final term of this school year and this means children in Year 2 will be sitting their SATs papers.

Following changes from the government, the children will have a reading paper and maths paper. The spelling and grammar paper is optional to all schools this year.

The papers will be administered during the week beginning 14th May 2018.

During this week children will do the papers in small groups in their classrooms with their teacher and teaching assistant. Both the children and you do not need to be concerned about the SATs. The children are well prepared and although we follow all guidelines, we will not be running SATs tests under strict conditions due to their age.

If you have any questions about the SATs, please feel free to speak to your child's class teacher.

Yours sincerely,

Mrs Lucy Thompson
